BIG CAMP PROJECT OFFERING

SABBATH 18 APRIL 2020

PORT AUGUSTA CHURCH REFURBISHMENT

The facilities at the Port Augusta church are in urgent need of upgrading, in particular the hall and toilets.

- The hall is not suitable for community programs or for the public to attend
- The kitchen facilities are inadequate with no water and equipment.
- There is no dedicated space for children
- The hall is not child-safe friendly
- The toilet facilities are unhygienic, outdated and not compliant for those with impaired mobility

The Port Augusta church has run the following programs out of their facilities:

- Bible studies
- Adventurers
- Journey to Wholeness (Addiction Recovery Program)
- Leadership training
- Children's programs
- Emergency Relief programs

In addition to Sabbaths, the church facilities are used throughout the week for evangelism and community outreach.

Port Augusta is strategically located at the crossroads to the West and the outback to the north for travellers and grey nomads.

Due its limited resources, the members of Port Augusta church need your help to make their church are centre from which they can proudly and comfortably reach out to their community.

Give now to help one of our sister churches in their mission!
